1945 SUPPLEMENTARY RETAIL PRICE LIST

OF

GARDEN CITY PERENNIAL GARDENS

Fremont, Nebr.

ANCHUSA

MYOSOTIDIFLORA (Forget Me Not)
Height is 1½' when in bloom during April and May. Makes a tidy, compact plant. Foliage is robust and has a healthy, attractive appearance throughout the entire season. Likes a shady place. Each 40c.

ASTER, TALL, 3'.

IMPROVED HARRINGTON PINK
Individual flowers measure 2 inches or more in diameter. Blooms from two to three weeks earlier than the Harrington Pink, and is the same lovely pink.

ASTER, DWARF.

BEECHWOOD CHALLENGER.
Erect grower of medium height, brilliant crimson-red flowers.

BLUE CLOUD.

2½' in rounded upright clumps of fluffy green foliage which becomes almost entirely covered with soft blue flowers with yellow centers. Price of above Asters Each 35c; 3 for \$1.00

BUDDLEIA (Butterfly Bush or Summer Lilacs).

DUBONNET. 4' to 5'.

Color is similar to the shade of the French Wine Dubonnet. Spikes are solid and well rounded and florets large.

ROYAL PURPLE.

Rich glowing purple; a very distinctive and rich looking shade. Bush is completely covered with flowers on stems 3 to 4' tall. Good for cutting as flowers, are very resistant to burning.

Price of above Buddleias Each 60; 3 for \$1.50

CHRYSANTHEMUMS.

ACHIEVEMENT.

18", early September. Cushion-like mounds of bronze flowers changing to pink and gold tints. Unusual.

BARBARA SMALL.

28". In full bloom September 10th. A large pink lavender.

CHIPPEWA.

The sensational new giant double purple. In full bloom September 6th. 24" high.

COPPELIA.

Double medium sized flowers; a bright Indian red blooming in August and September. A new English variety.

DULUTH.

18", first yellow variety to bloom August 12th.

FLASHLIGHT.

24", excellent early double red with golden reverse. August 28th.

FRIEDA.

A beautiful bright double mauve pink. Fine for cutting. A new English variety.

GOLDRIDGE.

22", straw yellow with wide petals. Petals when first opening are spoon-like. September 8th.

HARBINGER.

28", double bronze flowers with the coloring of fall maples. Full bloom by September 8th.

HARMONY.

18", combination of yellow-rose and bronze. Very good cut flower. August 25th.

MOONGLOW.

20", a mass of golden yellow from August 15th to frost. Much earlier blooming than Golden Glorymum or Yellow Cushion.

MY LADY.

18", gold with orange-red shadings; gives an old gold effect. The best of the Dean Kay varieties. In full bloom September 6th to frost.

PIPESTONE.

New, 18", August 25th until frost. Is the largest and brightest of the so-called bronze cushion types.

PURPLE STAR.

The harbinger of all the Minnesota Mums. Fully double flowers of a rich purple. In full bloom by August 12th, 24" high.

SEPTEMBER BRONZE.

24" in height; bronze cushion type pompom. Flowers are very frost resistant. In full bloom September 2nd.

SEPTEMBER GOLD.

22" in height; golden yellow large pompom of cushion habit. In full bloom September 6th to frost.

REDWOOD.

New 1944 Minnesota Mum. Dwarf and compact, 15" in height. Bushy, semi-double, bright red flowers. In full bloom September 5th. Hundreds of bright flowers.

WELCOME.

An early blooming, semi-double mallow-purple that can be enjoyed weeks before the regular mum season begins. In full bloom by August 14th. 20".

Prices of the above
